<sup>1</sup> Please note, per 1/10/2012 conversation, EPA and Encana's attorneys discussed streamlining the FOIA Requests to ensure consistency and efficiency, and to provide the responsive records to Encana as soon as practicable. Most recently, on January 11 and 12, 2012, Encana's attorney agreed to provide a summary of all the FOIA requests consistently incorporating any proposed modifications for all FOIA Requests as soon as possible. Therefore, the configuration of the FOIA Requests set forth in this table will change after EPA and Encana complete discussions on processing issues.
